

# 2020 EMPLOYMENT LAW SEMINAR SERIES

## Take 2

Every year, the Laddey, Clark & Ryan LLP Annual Employment Law Seminar Series presents important information on employment and labor practices. This is not just every year. With the COVID-19 Pandemic and the resulting economic turmoil, 2020 has turned out to be a year unlike any other, presenting a broad range of challenging issues for employers. Our upcoming seminars will explore two particularly pressing challenges.

Experienced attorneys Ursula Leo and Nicole Tracy will present the legal obligations employers face and the tough decisions they must make. In addition to updates on the law, they will offer practical, hands-on advice and counsel, and allow plenty of time for questions and answers.

Regrettably, we will not be able to present these two seminars in our usual live format. We will be using the Zoom platform to present the programs.
